Re: Educators Retiring

In your President packet please find a spreadsheet labelled, OEA-R Leadership Councils 2023-24 Retirement Information, to be completed with the names of any educator in your local school district who is retiring this year. Our purpose is so that we can learn who is retiring this year and to present to them a Membership Certificate in honor of their retirement. We also would like to inform them of the opportunity to join-OEA-R. Each OEA District in Ohio has an OEA-R Representative who will reach-out to them to get them involved in any District activities for retired members as well as any OEA-R activities in which they might want to participate in.

If you have any questions, please don't hesitate to contact me by email, lisascott4850@gmail.com or by phone (419) 619-3824. **You can email me your completed grid or if you know your OEA-R District Rep (see list below) please give them the grid.**

Thank you for helping OEA-R out in this project!
