

OEA Career & Technical Education Local Leader Retreat

September 20 & 21, 2024

The **OEA Career & Technical Education Local Leader Retreat** provides an opportunity for local leaders working in career technical centers, joint vocational school districts, and comprehensive high schools to connect, network, and develop strategies for successful internal organizing, forming, and leveraging relationships with other unions. Additionally, participants will learn about creating union-led professional development and understanding the unique features of CTC/JVSD funding with the goal of improvements at the bargaining table.

OEA Provides:

All retreat meals

Single Occupancy Rooms

All training materials

Local Associations Provide:

Up to three team members

A willingness to explore new ideas

A desire to make their local stronger
