

A virtual professional development series to support OEA presidents in their first three years of their leadership role. The New Presidents Power Hour series includes 6 sessions that equips local presidents with fundamental skills including organizing, advocacy, communication, governance, and problem solving strategy. **Sign up TODAY!**

## How will I lead?

**Tuesday, October 15, 2024 | 5-6 PM**

Simply put, leaders can't lead unless someone follows, so building strong relationships is key to good leadership. People need to connect with each other, share trust and have relationships to thrive. Learn how to recognize the value of people, seek to know them for who they are and build lasting connections.

## Advocacy and representing your members

**Tuesday, November 19, 2024 | 5-6 PM**

Learn the frameworks and best practices to be an effective advocate for your members and their working conditions. We will discuss grievance processing and become familiar with how to represent members in pre-disciplinary or disciplinary meetings. Learn what should be handled by building reps, a grievance chair, or you and when the LRC should be involved.

## Helpful tips for successful negotiations

**Tuesday, January 21, 2025 | 5-6 PM**

Every bargaining dynamic is different, but you can go to the table empowered to handle the challenges with this important advice.

## Best practices in communicating with your members and the community

Tuesday, February 18, 2025 | 5-6 PM

Effective internal and external communication strategies builds buy in and power. Get help figuring out what you need to say and how to say it.

## Your voice in the OEA Democratic Structure and resources available to you and your members

Tuesday, March 18, 2025 | 5-6 PM

Union democracy refers to the governance structure of our union, as well as the protection of the rights and interests of individual members. Understand how OEA's governance structure ensures members voices are heard and that OEA's mission, vision, goals, and policies most accurately represent the interests of its members.

## “What If” Sharing problem-solving strategies

Tuesday, April 15, 2025 | 5-6 PM

As we approach the end of a school year, things can often feel overwhelming. This session is designed for new presidents to collaborate in small and large group discussions to share the challenges they may be facing and goals they would like to achieve. Attendees will gain valuable advice and renewed energy.
