

# FREE instructional mentoring for OEA members

In the first 3 - 5 years of their teaching career

OEA has partnered with **Educators Leading the Profession (ELP)** to offer FREE quality mentoring to OEA members in the first 3 - 5 years of their teaching career. Mentoring will be provided by **Virtual Instructional Coaches (VICs)** – experienced teachers who have completed ELP's mentorship training program. The virtual format allows educators to choose a mentor who best fits their professional growth needs while engaging in a mentoring relationship that provides the freedom to speak openly and honestly about the joys and challenges of teaching.
