

OEA/NEAMB Discounted College Tuition Program has Launched

OEA in conjunction with NEA Member Benefits is excited to announce a partnership with Edvance to offer OEA Members and their families discounted college tuition.

The NEA College Benefit Program makes college a reality with programs that fit your academic, financial and lifestyle needs.

- **College tuition discount of up to 50% off** makes education advancement easier
- **Cost-conscious program design** includes waived or no application fees and minimal book costs
- **Flexible learning schedules:** 100% online degree and certificate programs with multiple class starts per year cater to your working schedule
- **Generous transfer credit policies with regionally accredited schools** help you complete your degree faster
- The Edvance network offers **diverse partner schools** and a **best-fit match system** for a personalized education journey
- **Career-focused, in-demand certificate and degree programs** from a network of schools are designed to give you the skills employers value
