Fellow students, as we enter another school year my biggest wish for you all is that you find your place not only in this organization, but life overall. I hope you know the power of your voice and the importance of making it heard! Remember we are stronger together- use the support OEA-AE offers. Have a great semester AEs!

## Trivia Night Recap

OEA-AE hosted their first virtual statewide trivia event on September 5th! We had AEs from 7 different Ohio colleges. The group enjoyed a night of networking and fun. Shout out to the 1st place trivia winner, Karly Woods from Mount Union! She battled her way up the leader board and took the game with her knowledge in the OEA/AE category. Congratulations to all of our winners throughout the night.
