

GRANT WRITING

KEYS TO SUCCESS

with Valli Ridenour and Angela Dittman

Tuesday, November 12
6:30–8:00 PM on Zoom

Join us for a virtual professional development workshop to equip educators with essential grant writing skills. This virtual session will guide participants through the key components of successful grant proposals.

- ✓ Identifying Funding Opportunities
- ✓ Crafting Compelling Narratives
- ✓ Effectively Outlining Project Goals and Budgets

Participants will gain practical insights into aligning grant applications with educational objectives and community needs to secure funding for all members and union initiatives that focus on building a stronger school community!

BE EMPOWERED
to confidently pursue grants that support your educational practices and your student's learning experiences!
