## Hello Fall, and Hello OEA-Aspiring Ed!

We've had a busy start to the fall season filled with: BOD & Committee meetings; 6 university chapter visits; kicking off our Power Hour series with Chapter Challenge info; planning our November Panel on Urban & Rural schooling; and exercising our right to vote during election season! We thank you for your patience towards the timing of our monthly newsletter, and are excited to showcase the work we've been doing/planning!
