## Happy Holidays Ohio Aspiring Educators

### IGNITE - AE/ONE Conference

OEA Aspiring Educators and Ohio's New Educators are hosting our annual joint Conference IN PERSON! The event will be held at the Nationwide Hotel and Conference Center in Lewis Center Ohio near Columbus beginning the morning of **Saturday, January 25 through Sunday, January 26, 2025**. Accommodations, food, and conference fees are paid for by us-so it is free to our members AND advisors! It takes hard work to build and sustain chapters. We will collaborate and learn about how AE supports, develops, and empowers diverse, pre-service educators with the resources, networks, and opportunities to lead in their schools, communities, and in all phases of their career. Use the link on the right to register now! Spots are limited.

**SIGN UP!**

## AE Friendsgiving & Service Project

In November AEs met at Capital University to have a Friendsgiving Potluck and work on our Service Project! Our Service Project this year was "Educator Essentials Appreciation Bags."

Bags were filled with goodies like Chapstick, wet wipes, mints, band aides, sticky notes, and more! Then, at the OEA-Rep Assembly our leaders stepped up to the mic for a personal point of privilege to thank all of the OEA members in attendance for their support and leadership and we passed out the bags throughout the day. Check out our socials for more pics of the events!

## Paid Student Teaching!

As your AE state leaders we are working alongside staff and NEA allies to advocate for compensated student teaching in Ohio! We need the voice and efforts from you, our members. Please take some time to complete our paid student teaching survey to use in our organizing efforts: [Student Teachers Deserve Pay](#).
