

Annual Spring Conference

Sponsored by Central OEA/NEA-R and Capital-R

Join your retired member colleagues for a viewing of the many historical exhibits in the museum (the museum will be closed that day to outside visitors, so unfortunately you won't be surrounded by 900 or so public-school students and their addled teachers and chaperones; we have the place to ourselves, and it's a big place!), a tasty lunch, and a creative interactive program, facilitated by our own Carol Dixon. Celebrating Poetry Month (April), we will feature the 2022-2024 Ohio Beat Poet Laureate, Sandra Feen.
