Hello OEA-Aspiring Ed! LUCKY to have great members!

As your AE state Board of Directors, we want to take a moment to recognize how lucky we are to have the opportunity to be union members with the Ohio Education Association and National Education Association. Being a union member means WE have a voice at the table alongside thousands of other aspiring educators statewide and nationwide. As we fight against attacks on education and on issues like getting paid student teaching in Ohio, it is because of members like ours that we can win!

We had the opportunity early in March to connect with our future AE members at the state EdRising Conference at Capital University—where high school students stopped by our table for their very own “signing day” activity. These students are committing to becoming future educators and we can’t wait for them to join us as they graduate high school and start their college experiences. Shout out to two of our AE members from Capital University who joined us during their spring break to engage with the EdRising members on this two-day event!

AE Spring Leadership Conference

March Power Hour Zoom

Become a State Leader

We are hosting elections for the '25-'26 AE Board of Directors! If you're interested in running for a state leadership position, please complete the Declaration of Candidacy form attached! We also will be sharing videos from our current board sharing a few things about what each position is to make sure everyone is fully informed! These will be posted on social media and shown at our conference!!!

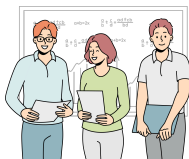

We will be hosting our annual award ceremony at the AE Spring Conference. If you would like to nominate your chapter, leaders, or advisors for awards or participate in chapter grants complete the following:
